

# CERTIFICATE

## OF PARTICIPATION

IT IS HEREBY CERTIFIED THAT :

*Basile Curched*

participated as a speaker, with the contribution :

*"Photochemistry from a theoretical and computational perspective"*

in the workshop on

*"Quo vadis theoretical modeling of gas-phase reactions: applications in atmospheric chemistry and climate change"*

held in Montpellier, the 20th and 21st of June 2023, hosted by the Montpellier Advanced Knowledge Institute on Transitions (MAK'IT) and the Laboratoire Univers et Particules Montpellier (LUPM) of the University of Montpellier

---

Prof. Llinersy Uranga Pina, Chair of the Organising Committee
